

RECLAIMED CORSICA - 1ST CUT

Corsica is reclaimed Mediterranean limestone from old houses, farm buildings, and village structures on the island of Corsica and along the surrounding coast. Because the stone comes out of older buildings, the surface already shows gentle wear: softened edges, slight dips, and a natural patina that gives it a relaxed, time-worn look.

FINISH

RECLAIMED / ANTIQUE

SIZE

RW (8" to 14") x RL (12" to 24") x
79/100" NOM

USAGE

FLOORING
